There are different levels of accommodation ranging from stunning Waterfront Rooms with balconies, and views across the picturesque harbour, to Superior Rooms with an internal sundeck, and our convenient Classic Rooms. On site facilities include a gymnasium, tennis courts and the ocean on our doorstep.

YOU CAN
STILL SEE
AND TOUCH
A LOT OF
HISTORY

The Bay of Islands is the perfect spot to gather your team! Also known as ‘The Winterless North’ we are a great escape year round. Thriving with history, excursions, beaches, and more we already know you will have a great time. Located just three and a half hours from Auckland, along the New Motorway - you will be here in no time. Catch the Car Ferry over to Russell, and head into town where you will find The Dukes free on-site parking. We are also located close to a couple of airports too - Kerikeri & Whangarei.

Russell is quite unique in New Zealand, in that you can still see and touch a lot of history. Christ Church is New Zealand's first church. One of the first donations for its construction came from Charles Darwin, the father of the theory of evolution – who could not believe the “very refuse of society” that he saw in Russell.

Walking around the grounds you will find the headstones of Tamati Waka Nene, who was one of the first chiefs to sign the Treaty of Waitangi, Hannah King Letheridge, the first white women born in NZ, and also the graves of some of those who fell in the Battle of Kororareka.

The Church still shows the scars of the battle of Kororareka – with musket holes still clearly evident in its exterior walls.

Hone Heke's famous stands against the British, with the felling of the British Flag at Flagstaff, is up the hill, just a brisk 15 minute walk up the road behind The Duke.

Pompallier House is NZ's first Catholic mission and printing press, it is owned by NZ Historic places.

Russell Museum houses many relics from the battle and the whaling days and is well worth a look around.
