

Unlock the things you love with My Vaccine Pass

You'll need your pass from 3 December.

If you are fully vaccinated:

1. Go to [MyCovidRecord.nz](https://mycovidrecord.nz)
2. Enter your email address and ID
3. Your pass will be emailed to you within 24 hours. Save it to your phone or print it.

If you don't have ID or access to a computer, your pass can be posted to you instead. Just call **0800 222 478** to register.

You can also ask for your *My Vaccine Pass* at any of the 300+ pharmacies across New Zealand that offer COVID-19 vaccinations. At these pharmacies please have your NHI number ready – you can find this on a hospital letter, a prescription or a prescription receipt. Go to healthpoint.co.nz/covid-19-vaccinations/ to find your nearest pharmacy.

Get your Vaccine Pass today and take it wherever you go.
